Wine of the Month

Rosso di Valtellina DOC Satiro Pietro Nera

Lombardy, Italy

$11 / glass $38 / bottle

The Pietro Nera wines celebrate the regional tradition of the Nebbiolo (locally called "Chiavennasca") grape. With the combination of sun exposure from the orientation and slope of the vines, and breezes that originate from the westerly Lake Como, the Pietro Nera wines feature a firm acidity balanced by rugged fruit, earth, and mineral.
