## Wine of the Month

### Sokol Blosser Evolution Red

Oregon, USA  
\$11 / glass    \$38 / bottle

Rich garnet color. Sweet, pure fruit aromas of maraschino cherries, strawberry preserves and red plums. Notes of tangy cranberries, ripe raspberries and loganberries. Evolution Red has a bright edge of pomegranate and blood orange, with hints of warm earth and cinnamon. The overall mouthfeel is lighter-bodied with fine tannins, finishing smooth and juicy.

Evolution Red is a versatile, accessible, and exceptionally drinkable wine that goes great with anything.

*Salute!*
